

## *Wine Tasting Series*

**Tuesday :: March 30, 2010 :: 5 to 9 pm**

Please join us for Pampas' first wine tasting event of the year! If you attended any of our previous events, you already know it's bound to be a memorable night.

Our last tasting yielded great reviews of Californian varietals, so we continue the exploration of our own backyard: a significant portion of our selection this time comes from vines grown right here in the Golden State. We also thought it time to explore our Latin relations, so we're featuring select Spanish and South American wines to round out the collection.

With 60 wineries participating at this event, you are sure to find something that tickles your fancy. Pampas' beautiful venue will showcase 130 hand-selected wines, so come celebrate the perfect mix of home-grown goodness and Latin spice. You may feel inclined to revisit Napa, or reminisce about exploring the valleys of Chile's Central Region. You may even be inspired to tour the vineyards and beaches of Rias Baixas. Whatever your experience, you will know this for certain: Culture never tasted so fine.

**\$25** with RSVP and **\$30** at the door.
